

AYUSH KUMAR SRIVASTAVA

Ghazipur, India

+91 9170571791 | mr100ayush@gmail.com | LinkedIn | GitHub

EDUCATION

KIET Group of Institutions, Delhi-NCR, Ghaziabad

Master of Computer Applications

2025 – Present
Percentage: 63% (Pursuing)

Udai Pratap Autonomous College, Varanasi

Bachelor of Science (Mathematics & Statistics)

2021 – 2024
Percentage: 65%

Asht Shaheed Inter College, Ghazipur

Intermediate (XIIth, U.P. Board) - Science Stream

2019 – 2021
Percentage: 71.20%

Asht Shaheed Inter College, Ghazipur

Matriculation (Xth, U.P. Board)

2017 – 2019
Percentage: 77.50%

SKILLS

- **Programming Languages:** C, Java Core (OOPS), Python Basics, JavaScript (ES6+)
- **Web Development & Frameworks:** HTML5, CSS3, React.js, Node.js, Express.js, Axios
- **Database Management:** SQL (MySQL), NoSQL (MongoDB)
- **Tools & Version Control:** Git, GitHub, Visual Studio Code, Postman, Linux (CLI)

PROJECTS

EduNova – Full-Stack EdTech Platform

Technologies: MongoDB, Express.js, React, Node.js, Razorpay API, Cloudinary, JWT

Oct 2025

- Developed a robust Role-Based Access Control (RBAC) system utilizing JWT and Bcrypt for secure instructor and student dashboards.
- Integrated Razorpay for seamless payment processing and Nodemailer for automated PDF invoice generation.
- Optimized database performance by implementing MongoDB indexing, resulting in 30% faster data retrieval.
- Streamlined media management using Cloudinary CDN, enhancing speed and reducing storage by 40%.

AI-Powered Chatbot

Technologies: React.js, Node.js, Express, MongoDB, Groq Cloud API, CSS3

Nov 2025

- Integrated Groq API to leverage Llama-3 models for high-speed, real-time conversational responses.
- Implemented Chat History Persistence using MongoDB, allowing users to maintain previous interactions across different sessions.
- Developed a secure backend wrapper with Express.js to handle API requests and protect sensitive API keys.
- Designed a clean, responsive user interface using custom CSS3 and React state management for a smooth user experience.

CERTIFICATIONS

- **AI on AMD** – AMD AI Academy 2026
- **Software Engineering Foundation** – Infosys Springboard 2025
- **Linux for Beginners** – Infosys Springboard 2025
- **Web Development Training** – Infosys Springboard 2025
